

SPE: A-NZ Technical Seminar (Sydney)

Packaging, Plastics & Additives

In collaboration with the
Australian Institute of Packaging

www.plastics.org.au

	Thursday 9th February 2012	
	6:00 pm for 6:30 pm Start	
	Oatlands Golf Club Bettington Road Oatlands, NSW 2117 (entry opposite Ellis Street)	
	<p>Additives can improve the consistency, quality and process speed of polymers in various packaging applications. Sustainable packaging is at the forefront of technology to protect the environment. Safety requirements are becoming more and more demanding for safe food packaging. This seminar highlights the efforts by the industry to improve products in the areas of consistency, quality, speed, sustainability and safety.</p> <p>For further information contact Han Michel on 0416 168 255, E: hanmichel@bigpond.com</p>
